Interop Results Legend

Success	was readable (by responding via Direct message or confirming out of band). Month of report is indicated.
Partial Success	Not Success or Failure, e.g. sender receives a notification in response, but either it is not properly formed or system does not mark as Processed/Dispatched
Failure	Message could not be sent, or permanent failure message/DSN/bounce received.
Self	
No test Results	New Bundle Member and/or no test information available
Stale Data	Data more than 6 months old

Notes & Action Items:

1. Processed MDN not received
